

wa Allahu A'lam
 Alhamdulillah was-salatu
 was-salaam alaa
 Rasulillah.

And also when I Part 2
 rest and wake up, I
 usually have a spiritual
 story to tell, as part
 of my writing journey,
 which is also an
 interesting notion to
 think about.

wa Allahu A'lam
 May Allah guide us all
 Ameen

May Allah give us
 a complete Shifa that
 leaves no illness
 Ameen
